

# AMBER & JASON

01.19.19

THE BEACH HOUSE | KAUAI

Amber & Jason decided to quit their ordinary day job and travel across South East Asia, Europe and South America for seven months. Shortly thereafter, Jason took Amber on a surprise getaway up the Northern Coast of California. They began their road trip and found a secluded stop where there was a view of a lighthouse and sea lions playing. While Jason went to grab his camera, he came back with a bigger surprise –an engagement ring!

Amber & Jason immediately knew they wanted to have a destination wedding where their sense of adventure & love of the outdoors would be at the forefront. The Beach House provided a breathtaking oceanfront ceremony & a front row seat to an epic Hawaiian sunset. A clear tent canopy allowed the stars to be seen throughout their celebration, while luxe chiffon & twinkle lights enhanced the natural beauty of Kauai. For added drama, garlands of white orchids & delicate greenery were hung above the dance floor.

"The venue is unlike anything your guests have probably ever seen. Panaromic views and a killer sunset. And oh my gosh the food. DELICIOUS! My guests came up to me all night ranting about how great the food was. The florals blew me away. I'd highly recommend opting for videography– you're getting married in a beautiful place you want to capture that with video. Trust me, I was on the fence and I'm SO happy we did it. We also got the photo booth which was a huge hit and had fire dancers end the night. That was such a fun way to close the wedding. So many of our guests have told us it was the best wedding they have ever been to. And that is all thanks to the dream team that is, The Beach House and company. Thank you for everything! I cannot say it enough. A day that would be special regardless was made to be honestly life changing by this team!!"
