

# VANESSA + MIKE

01.26.19

THE BEACH HOUSE | KAUAI

Vanessa & Mike were high school sweethearts and were dating since 10th grade. In 2015, they traveled to Kauai, where Mike proposed in a helicopter at the base of Manawaiopuna waterfall

Their love for Kauai was instant and Vanessa always knew that she wanted a destination wedding where they could be married by the water. Kauai was a perfect fit. During their engagement trip they had dinner at the Beach House and it was as if the stars aligned.

The importance of family was at the forefront of their love story and the pride that their parents and siblings have for them pulled at our hearts the entire night. There wasn't a dry eye at the ceremony and as the night progressed the energy and aloha were abundant.

"It was everything we dreamed of and more.

The coordination of the team was truly remarkable in organization of the ceremony, officiant, the kitchen staff, the photographers and videographers, the florists and designers."
